## METHOD

1. Saffron stock: Combine 100ml water with saffron in saucepan. Simmer until almost dry, remove heat, cool. Add 2 eggs and whisk.
2. Pasta: Combine flour, saffron eggs, olive oil. Mix until breadcrumbs, knead to dough, rest 30 min.
3. Filling: Mix white and brown crab meat, season with salt and pepper.
4. Roll: Roll pasta through machine to setting between 0-1.
5. Form: Cut 50cm sheets, brush with egg wash. Place 8 balls of crab filling in two rows. Cover with another sheet, press around each to dome. Cut with 7cm cutter, seal edges.
6. Cook: Boil 2-3 minutes until pasta cooked.
7. Serve: Blanch samphire, dress with olive oil. Heat lobster bisque. Serve ravioli with samphire, drizzle bisque over.

## NOTES

This exquisite crab ravioli beautifully recalls the sea, with its crab-filled ravioli and use of samphire and lobster bisque. Samphire is best enjoyed at its peak in the summer months between June and September.

Chef's Tips: The saffron adds a beautiful golden color and subtle floral note. Use fresh crab for the best flavor. Samphire is at its best in summer.
