PROFESSIONAL CHOCOLATE CHIP

YIELD	REST	OVEN	ENERGY COST
18 cookies	**1 h after scooping**	**325F, 15-18 min**	**$1.65 (18 min bake plus 30 min, 3.5 kW at 59 cents/kWh)**

INGREDIENTS

115 g	Unsalted butter, room temperature
100 g	Light brown sugar, packed
100 g	Granulated sugar
1	Egg, room temperature
5 ml	Vanilla extract
185 g	All-purpose flour
7.5 g	Cornstarch
2.5 g	Baking soda
2.5 g	Salt
262 g	Chocolate chips
100 g, optional	Pecans, toasted and chopped

METHOD

1. Cream the butter with both sugars 3 to 4 minutes until light and fluffy.
2. Beat in the egg and vanilla.
3. Sift together flour, cornstarch, baking soda and salt, then stir in until just blended.
4. Fold in the chips and toasted pecans.
5. Scoop about 2 tbsp portions, roll into balls.
6. Chill the scooped dough at least 1 hour, which is what stops them spreading.
7. Bake at 325F for 15 to 18 minutes, 7.5 cm apart, until browned at the edges.
8. Cool completely on the tray.

NOTES

> Lowest oven of the set at 325F, so the edges do not run ahead of the centres.
> Freezes scooped. Thaw 20 minutes before baking.

LEARNINGS

- Lowest scoring of the five made, a flat 3 on all of appearance, texture and flavor. Easy to make, but nothing here beats the higher-rated ones, so this is the one to drop first.
