ENERGY COST
$2.24 (35 min bake plus 30 min, 3.5 kW at 59 cents/kWh)

INGREDIENTS

350-400 g	Canned bonito or tuna, drained
2	Large onions
1	Red pepper
1	Green pepper
2	Garlic cloves
300 g	Crushed tomato
2	Hard-boiled eggs (optional)
to taste	Olive oil, salt, pimentón

METHOD

1. Sweat the chopped onion, garlic and peppers in oil over low heat until soft.
2. Stir in the pimentón off the heat for a second, then add the crushed tomato.
3. Cook until the sofrito is compact and dry. Season.
4. Turn off the heat and fold the drained, flaked bonito through the residual warmth.
5. Cool, and add chopped hard-boiled egg when assembling if using.
6. Fill, seal with a repulgue and bake at 190-200 °C for about 35 min.

NOTES

Stovetop cook time is 25 min.
The bonito goes in last and uncooked — it is already cooked, and cooking it again dries it out.
Reduce the tomato sofrito properly. Excess liquid softens the base.
Use the oil from the bonito tin for the sofrito for more flavour.
Hard-boiled egg is a classic addition that gives body.
Filling always goes on cold.
