SALTED SESAME CHOCOLATE CHIP

YIELD	REST	OVEN	ENERGY COST
12 cookies	**30 min minimum**	**375F, 10-12 min**	**$1.45 (12 min bake plus 30 min, 3.5 kW at 59 cents/kWh)**

INGREDIENTS

227 g	Salted butter, room temperature
100 g	Cane sugar
330 g	Light brown sugar, packed
2	Eggs, room temperature
10 ml	Vanilla extract
330 g	Bread flour
7 g	Baking powder
4 g	Baking soda
5 g	Kosher salt
110 g	Semisweet chocolate, chopped
15 g	Sesame seeds, toasted
5 g, to top	Maldon flaked salt

METHOD

1. Toast the sesame seeds in a dry pan until golden. They burn fast.
2. Beat butter with both sugars 3 to 4 minutes until pale and fluffy.
3. Add the eggs one at a time, about 15 seconds apart, then the vanilla.
4. Fold in the dry mix in three additions, gently, to keep gluten down.
5. Fold in the chocolate chunks and sesame by hand.
6. Chill at least 30 minutes.
7. Scoop about 1.5 tbsp balls, top with Maldon, bake at 375F for 10 to 12 minutes.

NOTES

> Bread flour, not all-purpose, which is what gives the tall chunky build.
> Salted butter is already in the formula, so the kosher salt is on top of that.
